CHANGES TO THE STATUTES & REGULATIONS DURING 2008, 2009 & 2010

The official language for the statutes and regulations can be found on the Legislative Research Commission's website at www.lrc.ky.gov. A summary of the changes over the last two years are as follows:

REGULATIONS EFFECTIVE ON 03/07/2008

201 KAR 11:170 Private school and course approval

This regulation was amended to require all pre-license courses to include a closed-book monitored final examination. Students must obtain at least a 75% in order to pass the exam and only one retake is permitted. Students must also now complete, with a passing score, a project that is applicable to the course content. The implementation date for the new requirements is November 1, 2008. The regulation also changes the pre-license approval period to a two-year cycle and outlines the requirements for submitting materials to the Commission for approval.

201 KAR 11:210 Licensing, education and testing requirements

This regulation now sets forth the requirements for education documents submitted in a language other than English and provides for an evaluation process for education completed outside the United States to ensure candidates have fulfilled the high school/GED requirements outlined in KRS 324.040(3).

201 KAR 11:230 Continuing education requirements

The regulation was totally reorganized. The penalty for non-compliance is now \$500.00 and the previous final delinquency plan opportunity was deleted. The revisions further clarify the course and instructor approval processes. Please see the article on this page for more details about the changes to this regulation.

201 KAR 11:240 Distance education requirements

This is a new regulation that sets standards for all online pre-license and continuing education courses. All courses must be certified by ARELLO or IDECC for format and delivery and the KREC will review the content. The regulation outlines the requirements for instructors, course layout, and the provider submission and reporting responsibilities. All such courses require a final examination the individual must pass in order to receive credit for the course.

201 KAR 11:450 Broker management course

This regulation was amended to clarify the course submission process and to increase the number of questions on the final examination from 50 to 75 in accordance with the changes to 201 KAR 11:170.

STATUTE EFFECTIVE ON 07/15/2008

KRS 324.235 – KRS 324.238 Commercial Law

These new statutes became effective on July 15, 2008 and govern how out-of-state licensees can practice commercial real estate brokerage in the state of Kentucky.

STATUTES EFFECTIVE ON 06/24/2009

KRS 324.010 Definitions and application

This new law (subsection 11) created a new definition of a "designated manager," which is a licensed sales associate or broker who manages a main or branch office.

KRS 324.111 Escrow account of broker; interest; audit; contract deposit release; separate property management accounts

The change to this statute now requires principal brokers to report to the Commission overdrafts of their escrow accounts that are not corrected within 72 hours. The Commission now has emergency power to address alleged escrow violations and can order emergency hearings.

KRS 324.141 Reciprocal licensing between states; consent to service of process by nonresident applicant

This is a big change in that the Commission will no longer enter into reciprocal agreements with other states for out-of-state licensees who want to obtain a Kentucky license. *NOTE: Although the heading of this statute still says "Reciprocal," there are no longer any reciprocal agreements.* The Commission will now utilize license recognition. The out-of-state licensee's foreign license will be recognized and the out-of-state licensee must complete the application forms, pass the state law portion of the real estate exam and fulfill a few other requirements. In most cases, this new process will make it much easier than it had been in the past. A more detailed explanation can be found under the heading "Regulations Effective on 12/4/09," which explains 201 KAR 11:215.

KRS 324.160 Grounds for suspension or revocation of license; issuance of reprimand, levying of fines or requiring further academic study

The language in this statute (subsection m) regarding inducements and rebates, which became unenforceable in 2005 due to an agreement between the U.S. Department of Justice and the Kentucky Real Estate Commission, has been removed. Although the language had been in the statutes, it has not been enforced by the Commission since 2005.

KRS 324.2812 Limitation of commission's jurisdiction

This new law clarifies that the Commission does not regulate nor have jurisdiction over community management associations.

KRS 324.310 Delivery of sales associate's license to commission when association terminated; placing license in escrow with commission; and

KRS 324.312 Commission's right for return of associate's license; sanction for failure to return

Changes to these two statutes now require principal brokers to return licenses to the Commission within five (5) days, when the principal broker has received notification from a licensee that the licensee wants to end his or her affiliation agreement. If a principal broker does not return the license within five (5) days, he or she will be in violation of KRS 324.160(4)(u). If the principal broker is out of town, the Commission allows an office representative to signature stamp the principal broker's name on the back of the license. If the principal broker cannot find the license, he or she can send a letter to the Commission releasing the licensee with a statement that the license has been lost.

REGULATION EFFECTIVE ON 10/02/09
201 KAR 11:230 Continuing Education Requirements

The Commission will now accept approved courses in one (1) to six (6) hour increments. Prior to this change, licensees were only allowed credit for courses in three (3) hour increments.

REGULATIONS EFFECTIVE ON 12/4/09
201 KAR 11:300 Use of facsimile and electronic-mail transmissions, electronic storage

This regulation was changed to explain the process for using and responding to documents containing electronic signatures.

201 KAR 11:450 Brokerage management course

This regulation was amended and puts a one-year limit on the completion of projects for passing the brokerage management course.

201 KAR 11:121 Improper conduct

This regulation was amended to eliminate duplicative information about guaranteed sales plans.

201 KAR 11:215 License Recognition; application requirements

This is a new regulation which provides the details for applying for a license under the new license recognition law. The Commission no longer has reciprocal agreements.

REGULATION EFFECTIVE ON 2/5/10
201 KAR 11:250 Listing and purchase contracts and other agreements entered into by licensees; provisions required; seller-initiated re-listing request disclosure form

This regulation was amended to include two new sections (sections 6 & 7) setting out the requirements that a licensee must meet regarding negotiating a subsequent listing agreement with another broker. These requirements include

the use of a form, which can be found on the Commission's website.

STATUTE EFFECTIVE 7/15/10
KRS 324.090 Expiration of license – fine for failure to renew on time – expired status

This statute was amended to change the statutory March 31, 2010 renewal date to a date that will be established by the Commission in a regulation.

KRS 324.112 Broker to manage certain branch offices – qualified sales associate may manage certain branch offices – registration of branch offices – filing of licenses – temporary affiliation of one principal broker with another

This amendment allows principal broker to maintain a branch office within 100 miles without a broker managing the office. A branch office outside a 100-mile radius of the main office will be required to have a managing broker. A sales associate with two (2) years experience in the real estate business, averaging at least twenty (20) hours per week for twenty (24) months prior, may manage a branch office inside a 100-mile radius of the main office.

KRS 324.330 Notice of change of location, firm name, surname or associate – new license

This statute was amended to state that, by promulgation of a regulation, licensees shall annually file their telephone numbers and email addresses with the Commission.

KRS 324.410 Purpose of fund

This statute was amended to state that the Commission has one hundred twenty (120) DAYS AFTER THE END OF EACH FISCAL YEAR TO MAKE THE Commission's Education Research and Recovery Fund Statement public either through the Commission's website or other public media.

Each and every original applicant for a license after July 1, 1972, shall likewise submit to the commission an additional fee of thirty dollars (\$30) to be deposited in the real estate education, research, and recovery fund and shall also be subjected thereafter to an annual renewal fee as of the regular renewal period.
- (3) In addition to the license fees provided for in KRS 324.287, the commission, based upon its own discretion as to need, may assess each licensee upon renewal an amount less than thirty dollars (\$30) per year, or nothing, but not more. Each original applicant must pay the original amount of thirty dollars (\$30), but on renewal will be subjected to the same renewal amount as other

licensees.

324.410 Purposes of fund

The purposes of the real estate education, research and recovery fund shall be as follows:

- (1) If a license, acting in the capacity of a licensee, has been duly found guilty of fraud in the violation of one (1) or more of the provisions of KRS 324.160, and upon the conclusion of a final order entered by the commission, or by the courts, if appealed, the commission, may pay to the aggrieved person or persons an aggregate amount not to exceed twenty thousand dollars (\$20,000) per claimant with combined payments to all claimants against any one licensee, not to exceed fifty thousand dollars (\$50,000), if the licensee has refused to pay the claim within a period of twenty (20) days of entry of a final order and if the amount or amounts of money in question are certain and liquidated.
- (2) The commission shall maintain a minimum level of four hundred thousand dollars (\$400,000) for recovery and guaranty purposes. These funds may be invested and reinvested in the same manner as funds of the state employee's retirement system and the interest from the investments shall be deposited to the credit of the real estate education, research, and recovery fund. Sufficient liquidity shall be maintained so that there shall be money available to satisfy any and all claims which may be processed through the commission through the means of formal administrative hearing as outlined in this chapter.
- (3) The commission, in its discretion, may use any and all funds in excess of the four hundred thousand dollars (\$400,000) level, regardless of whether it is from the real estate education, research, and recovery fund fees or accrued interest thereon, for the following purposes:

324.420 Collection by aggrieved party from recovery fund

- (1) An aggrieved party may commence an administrative action which may result in collection from the recovery fund by first filing a complaint with the commission on a form prepared by the commission. The complaint shall constitute a prima facie case that a licensee is in violation of KRS 324.160 and is subject to the same conditions set forth in KRS 324.150. If the complaint constitutes a prima facie case and the matter is not settled, the commission shall hold a hearing pursuant to the requirements set

forth in the provisions of this chapter and KRS Chapter 13B to determine if a violation of this chapter has in fact occurred. If a violation of fraud is so found, the commission shall determine if the violation resulted in damages to complainant and in what amount. If damages cannot be accurately determined, then the amount of damages shall be determined by a Circuit Court in the county where the violation took place. In the event the question of damages is referred to the Circuit Court, the decision of the commission will not be final and appealable until the question of damages is certifiable.

- (2) Upon final order by the commission or upon certification to the commission by the Circuit Court on the issue of damages, and after the licensee has refused to pay the claim within a period of twenty (20) days of entry of a final order, the aggrieved party or parties shall be paid the amount or amounts by the commission from the recovery fund.
- (3) The license of the licensee against whom the claim was made by the aggrieved party shall be suspended or may be permanently revoked until such time as the licensee has reimbursed the recovery fund in full for all amounts paid, plus interest at the rate of ten percent (10%) per annum.
- (4) Any party aggrieved by a final order of the commission may appeal to the Circuit Court where the licensee has his principal place of business or where the applicant resides in accordance with KRS Chapter 13B.
- (5) Upon the final order of the court and after the commission has paid from the real estate education, research, and recovery fund any sum to the aggrieved party, the commission shall be subrogated to all of the rights of the aggrieved party to the extent of the payment. The aggrieved party shall to the extent of the payment assign his right, title and interest in the judgment to the commission. After such assignment, the commission may challenge in bankruptcy court any attempt by a former licensee to discharge the debt, if proper notice is given. Any funds recovered by the commission shall be deposited in the real estate education, research, and recovery fund.
- (6) No aggrieved party shall be entitled to recover compensation from the real estate education, research, and recovery fund unless the action against the licensee is commenced within two (2) years from actual knowledge of the cause of action or from the time when circumstances should reasonably have put the aggrieved party on notice of the cause of action.
- (7) An aggrieved party shall not be entitled to recover compensation from the real estate education, research, and recovery fund, unless the compensation is for the actual financial harm suffered by the aggrieved party, and this financial harm is specifically and directly related to the property.
- (8) For purposes of this section, an "aggrieved party" shall mean either:
 - (a) A member of the consumer public who stands in a direct relationship to the licensee, i.e., one who demonstrates an interest in purchasing, leasing, renting, or otherwise securing an interest in real estate through a licensee and who believes that the licensee is in violation of the provisions of this chapter; or
 - (b) A member of the consumer public who directly engages the services of a licensee for purposes of selling, leasing, renting, or otherwise dealing in his or her own property.
- (9) If at any time the money on deposit in the real estate education, research and recovery fund is insufficient to satisfy any duly-authorized claim or portion thereof, the commission shall, when sufficient money has been deposited in the real estate education, research, and recovery fund, satisfy such unpaid claim or portions thereof, in the order that such claims or portions were originally filed, plus accumulated interest at the rate of ten percent (10%) per annum.
- (10) Any funds in excess of the four hundred thousand dollar

(\$400,000) level which are not being currently used, may be invested and reinvested as set forth in subsection (2) of KRS 324.410.

324.425 Closing existing business of deceased or incapacitated principal broker

In case of death or other incapacity of a principal broker having a licensed sales associate or sales associates affiliated at the time of death or other incapacity, the commission reserves the right in its discretion, based upon the merits of each case, to permit one (1) of the sales associates to complete and close the then existing business of the deceased or incapacitated broker for a temporary period not to exceed six (6) months.

324.980 Persons to whom KRS Chapter 324 does not apply

Nothing in KRS Chapter 324 shall be construed to apply to a person engaged solely in the business of compiling and categorizing information concerning the location and availability of real property which may be leased or rented and who furnishes such information to prospective tenants for a fee.

324.990 Engaging in real estate brokerage without license – Penalties

A person who engages in real estate brokerage without a license due to a failure to renew a previously valid Kentucky license shall not be subject to this penalty if the person is entitled to and does avail himself of the remedial provisions of KRS 324.090(3).
- (2) In addition to the penalties set out in this chapter, a Circuit Court may impose an additional penalty on any person who violates any provision of this chapter by fining them not less than one hundred dollars (\$100) nor more than one thousand (\$1,000) or imprisoning them for a term not to exceed six (6) months, or both. Upon conviction, in addition to the aforesaid fine, there shall be added to the fine the amount of any real estate brokerage commission paid or received as a result of the violation or violations in question.
